The responsibility for administration of the jury system shall be vested exclusively in the Court of Common Pleas of Stark County. All procedures concerning jury selection and service are governed by Ohio Revised Code and Ohio Rules of Court. Responsibility for administering the jury system will be vested in the Court Administrator for the Court of Common Pleas.

The opportunity for jury service shall not be denied or limited on the basis of race, national origin, gender, age, religious belief, income, occupation, disability, or any other factor that discriminates against a cognizable group in the jurisdiction.

Eligibility shall be limited to statutory exemptions only.

- A. All persons shall be eligible for jury service except those who:

 - 3. are not residents of the jurisdiction in which they have been summoned to serve; to wit, Stark County;
 - 4. are not able to communicate in the English Language; or

The Court reminds residents and employers that our system of justice is based upon the right to trial by jury. Jury service is an obligation of all qualified citizens of Stark County, Ohio. Failure to attend when summoned to jury duty is a violation of the Ohio Revised Code. Employers are prohibited from discharging, laying-off, denying advancement opportunities to, or otherwise penalizing employees who miss work when summoned to jury service. The Court recognizes the burden of jury duty on citizens and employers. The Court has shortened the length of jury service from three weeks to one week (five days) providing that a juror must continue to completion any trial started during this one week of service.

In accordance with Substitute Senate Bill Number 69 of the 122nd General Assembly:

Except as provided by section 2313.13 of the Revised Code, the Court of Common Pleas shall not excuse a person WHO IS liable to serve as a juror or another person acquainted with the facts, that ONE OR MORE OF THE FOLLOWING APPLIES:

- (D) The juror's spouse, or a near relative of the juror or the juror's spouse, has recently died or is dangerously ill.
- (E) The juror had been called as a juror for trial in a court of record in the county within the same jury year.
- (F) THE JUROR IS A CLOISTERED MEMBER OF A RELIGIOUS ORGANIZATION.

When a person who is liable to serve is excused in a case specified above (O.R.C. 2313.13), the juror can only be excused by the judge presiding in the case or a representative of the judge. The Jury Commissioners of the Court of Common Pleas of Stark County have been designated by journal entry as representatives of the judges. Any judicially approved excuse per this section (O.R.C. 2313.13) shall be duly recorded by the Jury Commissioners and retained pursuant to the records retention schedule on file in the Administrative Office of the Court of Common Pleas.

A person may be excused from jury service or have their jury service postponed in accordance with section 2313.01 to 2313.46 of the Ohio Revised Code and the General Statutes of the State. The Court delegates authority to the Jury Commissioners to grant deferrals for jury service to a week certain, providing that the service is fulfilled in the one year continuous term in which the juror was summoned. All requests for deferral shall be made in writing or recorded by the Jury Commissioners and retained pursuant to the records retention schedule on file in the Administrative Office of the Court of Common Pleas.

5.02 Jury Source List

Once each year, the list of registered voters shall be obtained from the Stark County Board of Elections in electronic form. The jury source list will be derived from the names of all electors shown on the registration list for the most recent past general election. This list will be compiled according to a mathematical formula as set forth in the jury selection calculation developed by the Stark County Data Processing Center. A copy of this formula is maintained by the Court Administrator and Jury Commissioners. A miscellaneous journal entry signed by the Judges of the General Division shall instruct that upon certification of the list of voters to the Jury Commission by the Stark County Board of Elections and in accordance with a journal entry filed with the Clerk of Courts setting forth the number of prospective jurors to be called, that the drawing of the annual jury list shall proceed until an adequate number of persons are drawn for the coming jury term (year). Pools for the Municipal Courts of Stark County shall be elected in the same manner by journal entry signed by a Judge of the Municipal Court. The output from the computer selection process shall be in the form specified by the Judges of the Court of Common Pleas and the respective Municipal Courts.

5.03 Notification and Summoning Procedures

The notice summoning a person to jury service and the questionnaire eliciting essential information regarding that person is hereby combined in a single document, phrased so as to be readily understood by an individual unfamiliar with the legal and jury systems. The juror summons shall be delivered by ordinary mail. The Court Administrator shall have printed a summons clearly explaining how and when the recipient must respond and the consequences of a failure to respond to the questionnaire. The jury questionnaire shall be phrased and organized so as to facilitate quick and accurate screening. The questionnaire shall request only that information essential for determining whether a person meets the criteria for eligibility providing basic background information ordinarily sought during voir dire examination and for managing the jury system. The Court will develop uniform policy and procedure for monitoring failures to respond to a summons and for enforcing a summons to report for jury service.

5.04 Voir Dire

Voir dire examination shall be limited to matters relevant to determining whether to remove a juror for cause and to determine the juror's fairness and impartiality. To reduce the time required for voir dire, basic background information regarding panel members will be made available to counsel on the day which jury selection is to begin. The trial judge shall conduct a preliminary voir dire examination. Counsel shall then be permitted to question panel members for a reasonable period of time. The judge will ensure that the privacy of prospective jurors is reasonably protected, and the questioning is consistent with the purpose of the voir dire process. In criminal cases, the voir dire process shall be held on the record. In civil cases, the voir dire process shall be held on the record unless waived by the parties.

5.05 Rules on Voir Dire

1. The case may not be argued in any way while questioning the jurors.
2. Counsel may not engage in efforts to indoctrinate jurors.
3. Jurors may not be questioned concerning anticipated instructions or theories of law. This does not restrict general questions concerning the validity and philosophy of reasonable doubt or the presumption of innocence.
4. Jurors may not be asked what kind of verdict they might return under any circumstance.
5. Questions are to be asked collectively of the entire panel whenever possible.
6. Information addressed in the jury questionnaire, furnished to counsel prior to trial, will not be addressed in voir dire, except as may be necessary to expand upon an answer that may form the basis for a challenge for cause.

5.06 Removal from the Jury Panel for Cause

If the judge determines during the voir dire process that any individual is unable or unwilling to hear the particular case at issue fairly and impartially, that individual shall be removed from the panel. Such a determination may be made on motion of counsel or by the judge.

5.07 Peremptory Challenges

Rules determining procedure for exercising peremptory challenges shall be in accordance with the Ohio Civil and Criminal Rules adopted by the Supreme Court of Ohio and applicable statutory authority.

5.08 Juror Instruction

Trial judges are encouraged to: give preliminary instructions to all prospective jurors. In addition, trial judges should instruct jurors directly following impanelment to explain the jury's role, trial procedures including note taking and questioning by jurors, the nature of evidence and its evaluation, the issues to be addressed, and the basic relevant legal principles. Prior to the commencement of deliberations, the judge should instruct the jury on the law, on the appropriate procedures to be followed during deliberations, and on the appropriate method for reporting the results of its deliberations. Such instructions shall be made available, in writing, to the jurors during deliberations. Judges are encouraged to prepare and deliver instructions which can be readily understood by individuals unfamiliar with the legal system. Before dismissing a jury at the conclusion of a case Judges should release the jurors from their duty of confidentiality, explain their rights regarding inquiries from counsel and the press. The Court shall either advise them that they are discharged from service or specify where they must report. Finally, the Court should express appreciation to the jurors for their service, but not express approval or disapproval of the result of the deliberation.

All communications between the judge and members of the jury panel from the time of reporting to the courtroom for voir dire until dismissal shall be in writing or on the record in open court. Counsel for each party shall be informed of such communication and given the opportunity to be heard.

5.09 Jury Size and Unanimity of Verdict

5.11 Sequestration of Jurors

A jury should be sequestered only for good cause, including but not limited to insulating its members from improper information or influences. The jury shall be sequestered after a capital case is submitted to the jury, in conformity with existing Ohio law. The trial judge shall have the discretion to sequester a jury on the motion of counsel or on the judge's initiative and shall have the responsibility to oversee the conditions of sequestration. Standard procedures will be promulgated to achieve the purpose of sequestration, and minimize the inconvenience and discomfort of the sequestered jurors. Training shall be provided to personnel who escort and assist jurors during sequestration.

5.12 Monitoring the Jury System

The Court Administrator shall collect and analyze information regarding the performance of the jury system in order to evaluate: the representativeness and inclusiveness of the jury source list; the effectiveness of qualification and summoning procedures; the responsiveness of individual citizens to jury duty; the efficient use of jurors; and the cost-effectiveness of the jury management system. The Jury Commissioners are under the general supervision of the Court Administrator who may require the Jury Commissioners to maintain such records as necessary to assist in this assessment. 5.13 Juror Use

The Court shall employ the services of prospective jurors so as to achieve optimum use with a minimum of inconvenience to jurors. This form must be filled out in its entirety and every question must be answered. The Clerk is instructed to refuse to accept for filing any case that does not conform to these rules. The purpose of this rule is to assist the Court in managing its caseload, records, and reporting requirements to the Supreme Court of Ohio pursuant to C.P. Sup. R. 5.

9.03 Civil Rule 12, prescribing Rule Day for pleadings, will be strictly enforced. However, parties may obtain an extension of time, not to exceed thirty (30) days in which to answer, plead or otherwise move, when no such prior extension has been granted, by filing with the Clerk a written stipulation approved by all counsel providing for such extension. The stipulation shall affirmatively state that no prior extension has been granted. Neither the stipulation nor any entry to that effect need be submitted to the Court for the initial extension. If no such stipulation is obtained, or if an additional extension beyond the initial stipulated period is requested, the party desiring an extension must obtain the approval of the Court.

9.04 Pleadings and motions may be amended as provided in Civil Rule 15, but no pleading or motion shall be amended by interlineation or obliteration except upon leave of Court first obtained. Upon the filing of an amended pleading or motion, the original or any prior amendment thereof, shall not be withdrawn from the files except upon leave of Court.

9.05 In accordance with Ohio Civil Rule 5(D), all papers, after the complaint, required to be served upon a party shall be filed with the Court within three days after service, but depositions upon oral examination, interrogatories, requests for documents, requests of admission, and answers and responses thereto shall not be filed unless on order of the Court or for use as evidence or for consideration of a motion in the proceeding. The Clerk of Court shall not accept for filing the transcript of a deposition unless it is accompanied by a certification by counsel that the deposition is being filed on order of the Court or for use as evidence or for consideration of a motion to a proceeding. The same procedure shall be followed for discovery documents.

9.06 When interrogatories, requests for admission, or request for documents are filed simultaneously with the original complaint, they shall not be annexed to the pleading and must be under separate cover. Counsel shall provide sufficient copies for each defendant in order that a copy may be served upon the defendant at the time of the service of the summons and original complaint. The original copy shall be retained by counsel.

9.07 An objection to an interrogatory will be noted as such below the particular interrogatory, but discussion thereon, must be submitted on a separate page with appropriate caption. Objections shall

include, immediately preceding the discussions and citation of authority, the interrogatory in full to which objection is made.

9.08 Filing of Deposition Testimony for Use at Trial

- (A) Unless otherwise ordered by the Court, depositions must be filed no later than one day prior to the commencement of trial. Every deposition filed must contain either an index of objections or a separate objection transcript. Failure to comply with this rule may result in the waiver of any and all objections.
- (B) In addition to the requirements of Rule 13 of the Rule of Superintendence for the Courts of Ohio, if a videotaped deposition is filed, then a transcript of the deposition must be filed simultaneously unless the transcript has been filed previously. The filing of the transcript must comply with Local Rule 9.05.
- (C) The Clerk shall not accept for filing any deposition unless it is accompanied by a certification from counsel that it is being filed in compliance with this rule and Local Rule Gen R 9.05.

9.09 Facsimile Filing

I. PROVISIONS OF THE RULE

- A. The provisions of this local rule are adopted under Civ.R. 5(E) and Crim.R.12(B).
- B. Subject to the following conditions, pleadings and other papers may be filed with the Clerk of Courts by facsimile transmission. Civil proceedings shall be filed by facsimile transmission to 330-451-7853. Criminal Proceedings shall be filed by facsimile transmission to 330-451-7088.

Commencing September 1, 2012, costs will be charged for incoming fax transmissions at the rate of \$2.00 for the first page, and \$.25 for each additional page. Fax transmissions shall not exceed 10 pages. The fax transmission cost shall be charged to the case in which the documents are to be filed.

If an incoming fax transmission exceeds the 10-page limit, or fails to comply with the provisions of this rule, costs will still be assessed at the rate of \$2.00 for the first page and \$.25 for each additional page to the case in which the documents were to be filed. However, because the transmission exceeded the required page limit or fails to comply with the provisions of this rule, it will not be accepted for filing.

II. DEFINITIONS

As used in these rules, unless the context requires otherwise:

1. "Facsimile transmission" means the transmission of a source document by a facsimile machine that encodes a document into optical or electrical signals, transmits and reconstructs the signals to print a duplicate of the source document at the receiving end.

2. "Facsimile machine" means a machine that can send and receive a facsimile transmission.
3. "Fax" is an abbreviation for "facsimile" and refers, as indicated by the context, to facsimile transmission or to a document so transmitted.
4. "Source document" means the original document from which the image is transmitted to the court by facsimile machine/system.
5. "Effective original document" means the facsimile copy of the source document received by the Clerk of Courts and maintained as the original document in the court's file.
6. "Effective date and time of filing" means the date and time that facsimile filing is accepted by the Clerk of Courts for filing.

III. APPLICABILITY

- A. This rule applies to civil and criminal proceedings in the General Division of the Stark County Court of Common Pleas.
- B. This rule does NOT apply to Order in Aid, objections to the attachment of property other than personal earnings, objections to garnishment of personal earnings, objections to prejudgment attachments, objections to orders of possession in replevin actions, probable cause hearings, and forcible entry and detainer proceedings. In these proceedings no facsimile transmission of documents will be accepted.
- C. The following documents will NOT be accepted for fax filing:
 1. original complaints;
 2. any document that requires a filing fee or deposit for cost;
 3. any document that requires the Clerk's Office to provide service;
 4. any document that requires a judge's signature;
 5. any document requiring to be certified or authenticated;
 6. any liens;
 7. registration of a notary;
 8. trial exhibits or evidentiary materials that are not on 8 1/2 x 11 paper;
 9. transcripts of depositions;
 10. any notice of appeal.
 11. any document exceeding 10 pages in length (see IX, Length of Document)
- D. If a proposed order is transmitted as part of a fax filing, it will be forwarded to the court for consideration and will not be filed until it is signed by the court.

IV. ORIGINAL FILING

- A. A document filed by fax shall be accepted as the effective original filing. The person making a fax filing need not file any source document with the Clerk of Courts but must, however, maintain in his or her records and have available for production on request by the court the source document filed by fax, with original signatures as otherwise required under the applicable rules, together with the source copy of the facsimile cover sheet used for the subject filing.

- B. The source document filed by fax shall be maintained by the person making the filing until the case is closed, and the time for appeal has expired or the appeal has been heard or denied, and all opportunities for post judgment relief are exhausted.

V. COVER PAGE

- A. Only one pleading shall be filed by fax under each cover page. Each pleading requires a separate cover sheet.

(Amended 3/5/2013)

- B. The person filing a document by fax shall also provide therewith a cover page containing the following information: [See Appendix A for sample cover page form.]

1. the name of the court;
 2. the title of the case;
 3. the case number;
 4. the assigned judge;
 5. the title of the document being filed (e.g. Defendant Jones' Answer to Amended Complaint; Plaintiff Smith's Response to Defendants' Motion to Dismiss; Plaintiff Smith's Notice Filing Exhibit "G" to Plaintiff Smith's Response to Defendants' Motion to Dismiss);
 6. the date of transmission;
 7. the transmitting fax number;
 8. an indication of the number of pages included in the transmission, including the cover page;
 9. if a judge or case number has not been assigned, state that fact on the cover page;
 10. the name, address, telephone number, fax number, Supreme Court registration number, if applicable, and e-mail address of the person filing the fax document if available;
- C. If a document is sent by fax to the Clerk of Courts without the cover page information listed above or the document is incomplete, it will be deposited in a file of failed faxed documents with a notation of the reason for the failure and the document shall not be considered filed with the Clerk of Courts. Failed faxed documents will be retained by the Clerk of Courts for 90 days.
- D. The Clerk of Courts is not required to send any form of notice to the sending party of a failed fax filing. The burden of confirming the receipt of a complete facsimile transmission is on the sending party.

VI. SIGNATURE

A. A party who wishes to file a signed source document by fax shall do either of the following:

1. fax a copy of the signed source document; or
2. fax a copy of the document without the signature but with the notation "Isl" followed by the name of the signing person where the signature appears in the signed source document and it is in his or her possession or control.

B. A party who files a signed document by fax represents that he or she physically signed the source document and it is in his or her possession or control.

VII. EXHIBITS

A. Each exhibit to a facsimile produced document that cannot be accurately transmitted via facsimile transmission for any reason must be replaced by an insert page describing the exhibit and why it is missing. Unless the court otherwise orders, the missing exhibit shall be filed with the Clerk of Courts, as a separate document, not later than five court days following the filing of the facsimile document. Failure to file the missing exhibits as required by this paragraph may result in the court striking the document and/or exhibit.

B. Any missing exhibits filed under section VII. A of this rule shall be attached to a cover sheet containing the caption of the case which sets forth the name of the court, title of the case, the case number, name of the judge and the title of the exhibit being filed (e.g., Plaintiff Smith's Notice of Filing Exhibit "G" to Plaintiff Smith's Response to Defendants' Motion to Dismiss) and shall be signed and served in conformance with the rules governing the signing and service of pleadings in this court. Missing exhibits filed under this section will be separately docketed by the Clerk of Courts. [See Appendix B for sample exhibit cover sheet.]

VIII. TIME OF FILING

A. Subject to the provisions of the rule, all documents sent by fax and accepted by the Clerk shall be considered filed with the Clerk of Courts as of the date and time the fax transmission was received by the Clerk of Courts. The office of the Clerk of Courts will be deemed open to receive facsimile transmission of documents on the basis of 24 hours per day seven days per week including holidays. Each page of any document received by the Clerk will be automatically imprinted with the date and time of receipt. The date and time imprinted on the document will determine the time of filing, provided the document is deemed accepted by the Clerk. [The fact that fax filing may be available to file certain documents at times when the office of the Clerk of Courts is not otherwise open for business DOES NOT accelerate the time for filing. For example, if the time for filing a document falls on a Saturday, Civil Rule 6 and Criminal Rule 45 extend the time for filing to the next regular business day of the Clerk's office. This fax filing rule would NOT require the document to be filed by fax on Saturday. It would be due on the next regular

business day of the Clerk's office whether filed physically at the Clerk's office or by fax on that day.]

- B. Fax filings may NOT be sent directly to the court for filing but may only be transmitted directly through the facsimile equipment operated by the Clerk of Courts.
- C. The risks of transmitting a document by fax to the Clerk of Courts shall be borne entirely by the sending party. In the event of dispute as to the date and time of a fax filing or the number of pages in the fax, the burden of proof is on the sending party.

IX. LENGTH OF DOCUMENT

Facsimile filings, including attachments, shall not exceed ten pages in length, excluding the cover page. A single pleading may not be divided into multiple facsimile transmissions in order to qualify under the ten page limit for facsimile filings. If the facsimile document received by the Clerk of Courts exceeds the page limit, it will be deposited in a file of failed faxed documents with a notation of the reason for the failure and the document shall not be considered filed with the Clerk of Courts. The Clerk of Courts will retain failed faxed documents for 90 days.

X. EFFECTIVE DATE

These local rules shall be effective March 1, 2005, and shall govern all proceedings in actions brought after they take effect and also further proceedings in pending actions, except to the extent that, in the opinion of the court, their application in a particular action pending on the effective date would not be feasible or would work an injustice, in which event, the former procedure applies. This rule has been submitted to and is pending approval by the Advisory Committee on Technology and the Courts.

9.10 The Stark County Clerk of Courts shall accept service of process methods as outlined in Civil Rule 4.1 Process: methods of service, which methods shall include “virtual” service of process utilizing advanced postal technology for service by certified mail. This advanced postal technology does not modify Civil Rule 4.1(A) Service by Certified Mail, but merely provides for advanced electronic and website technology in the sending of certified mail and receipt of confirmation utilizing the Clerk of Courts website to show to whom the mail was delivered, the date of delivery and address where delivered, all in accordance with now-existing Civil Rules.

All service of process complaints and other documents served with virtual services of process are subject to review and/or challenge as further outlined in Civil Rule 4.1, with confirmation of service process date being made available through the Stark County Clerk of Courts office.

9.11 If service is to be perfected by publication pursuant to Rule 4.4(A)(1) of the Rules of Civil Procedure, the party or counsel for the party shall file with the Clerk of Courts an affidavit stating that service of summons cannot be made, together with a Notice of Publication stating a legal notice has been sent to a newspaper of general circulation. The party or counsel shall make arrangements and be responsible for all publication costs directly with the publisher. After the last publication, the publisher, the party, or counsel for the party shall file with the court an affidavit from the newspaper together with a copy of the notice of publication.

GEN R 10 - HEARINGS AND SUBMISSION OF MOTIONS

10.01 Motions, in general, shall be submitted and determined upon the motion papers hereinafter referred to. Oral arguments of motions may be permitted on application and proper showing. This rule is not applicable to motions for summary judgment taken pursuant to Civil Rule 56. Motions for summary judgment taken pursuant to Civil Rule 56 will be set for hearing and briefs will be due as required by Civil Rule 56(C).

10.02 The moving party shall serve and file with the party's motion a brief written statement of reasons in support of the motion and a list of citations of the authorities on which the party relies. If the motion requires the consideration of facts not appearing of record, the party shall also serve and file copies of all affidavits, depositions, photographs or documentary evidence the moving party desires to present in support of the motion.

10.03 Within fourteen (14) days after service, each party opposing the motion shall serve and file a brief written statement of reasons in opposition to the motion and a list of citations of the authorities on which the party relies. If the motion requires the consideration of facts not appearing of record, the party shall also serve and file copies of all affidavits, depositions, photographs or documentation evidence which the party desires to submit in opposition to the motion.

10.04 Counsel are encouraged to participate in pretrial discovery conferences to reduce, in every way possible, the filing of unnecessary discovery procedures. To curtail undue delay in the administration of justice, no discovery procedure filed under Rules 26 through 37 of the Rules of Civil Procedure to which objection or opposition is made by the responding party shall be taken under consideration by the Court unless counsel state in writing that after personal consultation and sincere attempts to resolve differences they are unable to reach an accord. This statement shall recite those matters which remain in dispute,

and in addition, the date, time and place of such conference, and the names of all parties participating therein. It shall be the responsibility of counsel for the party seeking discovery to initiate such personal consultation.

10.05 Sanctions. The presentation to the Court of unnecessary motions, and the unwarranted opposition of motions, which in either case unduly delay the course of an action through the Courts, subject an offender to appropriate discipline including the imposition of costs and fees.

GEN R 11 - REPRODUCTION OF HOSPITAL RECORDS

11.01 Upon motion of any party showing good cause therefore and upon notice to all other parties, the Judge may order any hospital in the county, by any agent thereof competent to act in its behalf, to reproduce by Photostating or other recognized method of facsimile reproduction, all or any portion of designated hospital records or X-rays, not privileged, which constitute or contain evidence pertinent to an action pending in this Court. Such order shall direct the hospital to describe by cover-letter, the portion or portions of the records reproduced and any omissions therefrom, and to specify the usual and reasonable charges therefore, and such order shall designate the person or persons to whom such reproductions shall be delivered or made available.

11.02 Objections to the admissibility of such reproduced hospital records on the grounds of materiality or competency shall be deemed reserved for ruling at the time of trial without specific reservation in the order to reproduce. Reproductions made pursuant to this procedure may be admitted in evidence without further identification or authentication but subject to rulings on objections implied or specifically reserved unless the order otherwise expressly provides.

11.03 Charges for reproductions of its records shall be paid directly to the hospital concerned by the Movant or the Movants.

11.04 Where original records are produced in Court and reproductions subsequently substituted by agreement of the parties or by order of the Court, the Movant or Movants shall be responsible for the cost thereof. Unless otherwise ordered, all original records shall be returned by the Court Reporter to the hospital upon entry of judgment.

GEN R 12 - GENERAL CALL OF THE DOCKET

12.01 It shall be the purpose of this rule to ensure the efficient and comprehensive management of civil cases assigned to the individual docket of each Judge.

12.02 After a civil case has been pending for at least three months, each Judge shall cause a general call of the docket to be conducted by either telephone or written communication or by scheduling a pretrial with the Judge with all counsel of record, or parties, if they are not represented.

12.03 The purpose of the general call of the docket will be to select pretrial and trial dates, and determine whether the case can be submitted to compulsory arbitration pursuant to Rule 16.02(B). Target dates will also be established for completion of discovery depositions and for completion of medical examinations.

12.04 To aid the Judge in the selection of the trial date, counsel shall assist them in establishing the probable length of time for trial.

GEN R 13 - PRE-TRIALS

13.01 A pretrial conference shall be held on a date and at a time certain in all cases, except appeals from administrative agencies (see Rule 21) at which time all parties and their counsel must appear. Any party need not appear if such absence is approved by opposing counsel. The Court may excuse the presence of any party after prior notice to opposing counsel. All cases involving insurance shall in addition require the presence of an insurance company representative with authority. The Court may, prior to said pretrial conference, excuse the presence of such representative after notice to opposing counsel.

Notice of assignment of cases for pretrial conference shall be placed in attorney mailboxes at the Courthouse for local attorneys and mailed (first class), **faxed or emailed** to out of town attorneys at least two (2) weeks prior to such conference, to counsel of record, and to parties not represented by counsel of record at their last known address.

13.02 If a pretrial statement with summarization of the issues and damages is required by the assigned Judge, such shall be filed with the Clerk of Court, with a copy served upon opposing counsel.

13.03 All pre-trials shall be conducted by the Judge to which the case is assigned.

13.04 In the event that neither the Plaintiff nor counsel appears for such pretrial conference, the Court may dismiss the case without prejudice.

13.05 In the event that neither the Defendant nor counsel appears for such pretrial conference, the Court at Plaintiff's request, may hear evidence and decide a case triable to the Court, or if it be a case triable to a jury, may accept Plaintiff's waiver of trial by jury, hear evidence and decide the case.

13.06 At the conclusion of the pretrial conference, a pretrial Order shall recite the results of the pretrial conference including any admissions, agreements and stipulations made by the parties. Such order shall be in the form of an order of the Court, and shall be filed in the case and copies shall be furnished to all counsel of record. Such order shall contain a recital that the issues upon the trial of such cases shall be limited to those issues which were not disposed of by admissions, agreements and stipulations as set forth in the order of the Court. Such order shall control all subsequent proceedings including the trial of the case unless such order is modified by the Court for good cause. The Court shall have authority to reschedule pretrial conferences in any case. At the conclusion of the pretrial, the Court will complete "Judgment Entry - Pretrial Conclusions", file the same with the Clerk and serve copies on counsel.

GEN R 14 - ASSIGNMENT OF CASES FOR TRIAL

14.01 All civil cases shall be assigned to a Judge, pursuant to Local Rule 6.

14.02 If companion cases are filed, whether simultaneously or not, it shall be the duty of counsel representing the Plaintiff to call such facts to the attention of the Assigned Judge Office. Pursuant to Sup.R. 4, the Administrative Judge shall then assign the companion case to the Judge having control of the original case. The Administrative Judge will file said entries with the Clerk's Office. Cases voluntarily dismissed under Civil Rule 41 and subsequently re-filed shall be assigned to the same Judge to whom the case was originally assigned.

14.03 The Assigned Judge shall select trial dates upon which a case shall be heard, pursuant to the procedure outlined in Rule 12. The Assigned Judge shall select the trial dates by telephone or by written communication to all counsel of record, or parties, if they are not represented.

Notice of pretrial and trial assignments shall be placed in attorney mailboxes at the Courthouse for all local attorneys and mailed (first class), **faxed or emailed** to out of town attorneys, counsel of record, and to parties not represented by counsel of record at their last known address.

14.04 If a party seeking affirmative relief, either in person or by counsel, fails to appear for trial, the Judge may enter an order dismissing the claim for relief for want of prosecution. If a Defendant, either in person or by counsel, fails to appear for trial, and the party seeking affirmative relief does appear, the Court may order such party to proceed with the case and decide and determine all matters ex parte.

14.05 If a party or counsel appears for trial but shows good cause as to why the party or counsel is not ready for trial, the Court shall make such order or orders as it deems proper. If a party or counsel appears for trial but indicates the party or counsel is not ready for trial without showing good cause for unreadiness, the Court, if such party is one seeking affirmative relief, may enter an order dismissing the claim for want of prosecution, or if a party defending a claim, order the party seeking relief to proceed with the case, determining all matters ex parte.

14.06 Motions for continuance must be in writing and shall contain the reasons for the request for continuance. A copy of such motion shall be served forthwith on all counsel of record. Any continuance shall be granted only by the trial Judge having jurisdiction of the case.

14.07 When a case which has been assigned for trial is settled, counsel for the party seeking affirmative relief shall immediately notify the Assigned Judge and prepare a judgment entry in compliance with Rule 18 herein.

Plaintiff(s) shall notify the Court of any full settlement or dismissal of a case no later than the Friday preceding the week in which the case is scheduled to commence trial.

Failure to provide timely notification of same, without good cause shown, may result in the costs of the assigned jurors for said trial being taxed as costs to one or more of the parties.

14.08 In the event two cases assigned for trial on the same date under Rule 14.03 are unresolved at trial time, and the Assigned Judge believes that both cases will require trial, at the request of the assigned Judge, the Administrative Judge may transfer one case to another Judge for trial.

14.09 Trials of criminal cases are to take precedence and shall be assigned in accordance with Rule 17.10 herein.

GEN R 15 - PASSING AND DELAY OF CASES

15.01 No case in which a date has been fixed for trial shall be passed without the authorization of the trial Judge. For good cause shown the trial Judge may allow a case awaiting trial to be passed for reassignment at the earliest possible date.

15.02 Cases stayed by reason of a party being in the Military Service or by order of Bankruptcy or other Court shall not be included within the operation of the aforesaid rule.

15.03 No case shall be advanced for pretrial or trial out of its regular order except upon order of the Judge to whom the case is assigned. All motions to advance must be accompanied with a Brief citing in detail the reasons for the request.

GEN R 16 -ALTERNATIVE DISPUTE RESOLUTION (ADR)

16.01 ADR Methods Available.

The Court recognizes these ADR methods: mediation, arbitration, and fee-paid judge trials. The Court may approve any other ADR method the parties suggest or the Court believes is suited to the litigation. All ADR methods are important. Parties and counsel will be expected to provide meaningful participation and failure to comply with the rules will result in appropriate sanctions.

16.02 Definitions

- (A) "Mediation" is a non-binding process involving a neutral mediator who acts as a facilitator to assist the parties to craft a mutually acceptable resolution for themselves.
- (B) "Arbitration" is an adjudicative process by which a neutral person or persons decide the rights and obligations of the parties. It may be consensual, mandatory, non-binding or binding.
- (C) "Fee-Paid Judge Trial" is a process where a retired judge who is paid by the parties to adjudicate a jury or non-jury trial and who will not submit an invoice to the county or state treasury for expenses or compensation.

16.03 Timing of ADR Decision

- (A) It is recommended that before the initial pre-trial conference in a case, counsel shall discuss the appropriateness of ADR in the litigation with their clients and with opposing counsel.

- (B) At the initial pre-trial conference the parties and counsel shall advise the Court of the results of their discussions concerning ADR. At that time and at subsequent conferences, if necessary, the Court may explore with the parties and counsel the possibility of using ADR.

16.04 ADR Referral

- (A) The Court may order a case to ADR, or may order the ADR on the motion of any party, **or by** agreement of the parties. If the parties agree upon an ADR method or provider, the Court will respect the parties' agreement unless the Court believes another ADR method or provider is better suited to the case and parties. The authority to refer a case to ADR does not preclude the Court from suggesting or requiring other settlement initiatives.

16.05 Opposition to ADR Referral

A party opposing either the ADR referral or the appointed provider must file a written objection with the Court within ten days of receiving notice of the referral or provider and explain the reasons for any opposition.

16.06 Attendance at Mediation; Authority to Settle

- (A) Party representatives with authority to negotiate a settlement and all other persons necessary to negotiate a settlement, including insurance carriers, must attend the mediation session, unless excused by the mediator. If a party or its representative is excused from a conference, the party or its representative must provide its attorney authority beyond initial mediation positions, and the party or its representative must be available for consultation during the course of the mediation.
- (B) In the event the parties and or their attorneys do not attend the mediation, or do not meaningfully participate in the process, the mediator shall recommend to the judge appropriate sanctions, including but not limited to dismissal, default judgment, attorney fees and or costs.

16.07 Mediation, Arbitration Process

- (A) At least five (5) days before a mediation or arbitration, the parties shall submit to the ADR provider:
 - (1) Mediation
 - (a) A mediation statement setting forth the legal and factual issues in the case, the damages, the status of discovery, and settlement positions. Each party shall submit this statement to the opposing parties and to the mediator **five (5) days** prior to the scheduled mediation. This statement will not be filed in the case.

(Amended 11/12/2014)

- (b) The parties may submit to the mediator a confidential statement analyzing the settlement potential of the case, or any other relevant issues(s). The mediation counsel will not disclose this statement to the other parties, unless the submitting party consents to disclosure. This statement will not be filed in the case.
- (2) Arbitration
 - (a) Copies of relevant pleading and motions;
 - (b) A short memorandum stating the legal and factual positions of each party;
 - (c) Such other material as each party believes would be beneficial to the ADR provider, including an agreement between the parties with respect to the presentation of the evidence.
- (B) Rules of evidence shall be liberally construed as determined by the ADR provider.
- (C) Any mediation shall be conducted in accordance with the provisions of the Ohio Uniform Mediation Act, contained at §2710.01 et seq. of the Ohio Revised Code, and Local Rule 16 of the Stark County Court of Common Pleas. The Mediator may conduct mediation conferences at which the parties shall explore settling the case, simplifying the issues, and expediting the procedure, and may consider any other matter that might aid in resolving the case. Unless otherwise provided by Court order, referral of a case for mediation does not alter the filing deadlines prescribed by these rules.

Applications shall be upon such form as may be prescribed by the committee. Any person applying for the first time for a commission and any person whose commission has expired five years or more prior to the date of his application shall be required to take a written examination to be prepared and graded by the committee.

23.04 The committee shall schedule the examination to be held at regular intervals and the chairman of the committee shall appoint one member to conduct such examination.

23.05 The committee shall promptly transmit to the court the names of the persons who have successfully completed the examination and those whose applications have been approved. No judge of this court shall consider or act upon the application of any person to become a notary public unless there is first submitted to him the report of the committee concerning such applicant.

23.06 Should any applicant after filing an application for examination fail to appear for said application within ninety (90) days after the filing of the application, said application shall thereupon become null and void and the fee paid shall be forfeited.

23.07 Attorneys at law admitted to the practice of law in this state and those persons who have held a commission as notary public at any time within five (5) years prior to the date of their application shall not be required to take the examination but their applications shall be on the form prescribed by the committee.

23.08 All applications, new and renewal, shall be accompanied by a fee of Sixty Dollars (\$60.00).
(Amended 8/21/2014)

23.09 Whenever it shall come to the attention of the committee that any notary public is improperly exercising the office or powers in this county, it shall be the duty of the chairperson of the committee and in the chairperson's absence or inability, then any member of the committee to investigate such complaint and determine whether there is probable cause to believe that the conduct of the notary public is improper.

If such probable cause is found to exist, the chairperson of the committee or in the chairperson's absence or inability, then any member of the committee, shall file a complaint with this court setting forth in a brief manner the acts or things done improperly by such notary public. Said complaint shall request a time and place to be set for a hearing thereon and that the said notary public be notified thereof. The presiding judge may designate or a judge designated shall at such time and place as the presiding judge may designate or as the appointed judge may determine, after notice has been given to the notary public against whom the complaint is filed, conduct a hearing on said complaint and make such orders or findings as in the judge's discretion are just and proper in the circumstances.

GEN R 24 - FORECLOSURE, QUIET TITLE AND PARTITION ACTIONS

24.01 In actions to quiet title, partition and for the marshaling and foreclosure of liens on real property, except those involving registered lands, the plaintiff shall procure and file with the Clerk, within thirty (30) days after the filing of the complaint, evidence of the record title to the property in question including but not limited to the names of the owners of the property, the record volume and page numbers of the next preceding recorded instrument by or through which the owners claim title, and the names of all lien holders of record, and any other parties claiming an interest in the real property. Evidence of title may be demonstrated by a preliminary opinion of an attorney in a form and to such extent as would satisfy the requirements of the Marketable Title Act or preliminary judicial report issued by a title insurance company. Such opinion or report shall be rendered as of the last date upon which all titleholders have been served the complaint and shall include all matters affecting the title up to and including the last date upon which all titleholders have been served the complaint. Upon failure of the plaintiff to timely comply with the foregoing requirements, any other interested party upon notice to plaintiff, may procure leave to furnish and file such evidence of title within the ensuing thirty (30) days. Such evidence of title or copy thereof shall become and remain a part of the files in the case. Where the evidence of title indicates that necessary parties have not been made defendants, the party filing the same shall proceed without delay to cause such new parties to be added and served. The opinion of title or judicial report shall be for the benefit of the purchaser at any sale resulting from the action filed.

24.02 Failure to comply with the foregoing rule shall be grounds for dismissal of an action. Dismissal may be granted on motion of any party or upon the motion of the Court.

24.03 Unless otherwise ordered by the Court, the expense of the title work required under this rule in an amount not exceeding Four Hundred Dollars (\$400) for each property involved may be taxed as a part of the costs in favor of the plaintiff or other party who furnished the evidence of title.

24.04 For the purposes of reporting by the trial judge to the Supreme Court of Ohio in foreclosure cases, the judgment entry and order for sale will determine that the case is closed. All proceedings in foreclosure cases will proceed according to law.

24.05 In judgment entries rendered in Court cases involving liens and mortgages, the words "the Clerk of the Common Pleas Court is ordered to cancel in the Stark County Recorder's Office the mortgage . . ." and the words "the Clerk of the Common Pleas Court is hereby ordered to cancel the Judgment Lien filed in Judgment Lien Docket No. _____ . . ." do not shift the responsibility for effecting these cancellations from the attorney of record in the court case to the Clerk of Courts. When mortgages are ordered to be canceled in the Recorder's office, the attorney of record shall enter full instructions for such cancellations in

the Precipe Docket maintained in the Clerk's office for such purposes. When judgment liens are ordered to be satisfied, the attorney of record shall file a Satisfaction of Judgment with the Clerk of Courts to be entered on the Judgment Lien Satisfaction Docket maintained by the Clerk.

24.06 No Confirmation of Sale and Distribution Entries shall be accepted by the Clerk of Courts which do not provide for complete distribution of the sale proceeds, unless prior Court approval is obtained.

Confirmation entries shall provide for payment to the Stark County Treasurer of all required real estate taxes. Real estate taxes shall include all current and delinquent taxes and assessments, penalties, interest, tax lien certificates, and pro-rated amounts in the current year preceding the date of confirmation of sale. The party responsible for preparation of the entry shall obtain a verification of the amount due from the Treasurer's Office to be delivered to the Sheriff's Civil Division and attached to the Confirmation of Sale entry.

24.07 In all foreclosure actions it shall not be necessary to name the Stark County Treasurer as a party unless plaintiff or another party is contesting the amount of real estate taxes appearing on the tax records, either to the amount or validity, or as to the priority of real estate taxes as the first and best lien, or as to the validity or priority of a personal property tax lien or other lien held by the Treasurer.

The plaintiff, however, shall cause the Clerk to deliver a copy of the complaint but not a summons to the Treasurer in all cases in which the Treasurer is not named a party or named a party and the taxes are not contested or in dispute.

In all foreclosure actions in which the Treasurer has been named a party, and in which the taxes are not in dispute, the Treasurer need not file an answer to the complaint or to any cross-claims, counterclaims or third-party complaints. The Treasurer may intervene in the foreclosure action as a defendant and file a cross-claim and/or third party complaint to foreclose the lien of delinquent taxes or tax lien certificates or assert any other claim properly joined in the action, just as though named as a defendant in the original action. The Stark County Prosecutor on behalf of the Treasurer shall be served with a copy of the proposed and final confirmation entry or dismissal entry whether the Treasurer is named a party in the action or not.

GEN R 25 - SHERIFF'S SALES

25.01 In every Sheriff's sale of real property, the successful bidder as purchaser, shall be required to deposit by 12:00 o'clock noon on the day of the sale, by cashier's check or certified check payable to the Sheriff, not less than ten percent (10%) of the amount of such bid but in no event less than Five Hundred Dollars (\$500) or more than Ten Thousand Dollars (\$10,000), plus the additional amount necessary to establish a balance due in even thousands of dollars. The unpaid balance of the purchase price shall be due and payable to the Sheriff within thirty (30) days from the date of the sale. The purchaser shall pay interest on the unpaid balance of the purchase price at the annual rate of interest provided in Section 1343.03 of the Ohio Revised Code from the date of the sale to the date of the payment of the balance unless the balance shall be paid within thirty (30) days from the date of sale. Any interest received shall be distributed by the Sheriff to the parties entitled to distribution of the proceeds of sale in the proper order of priority. The provisions of this paragraph shall not be applicable when the purchaser is the Plaintiff.

25.02 On the first Monday following the date of sale, the Sheriff shall make the return to the court. The plaintiff shall prepare and deliver a proposed entry confirming the sale to the Clerk of Courts, and serve copies upon all parties or their attorneys of record and the Stark County Prosecutor on behalf of the Stark County Treasurer by regular mail within seven (7) days after the date of sale. It shall not be necessary to obtain the approval of other parties or their attorneys of record prior to the filing of such entry. Unless proper written objection to the proposed confirmation entry is presented to the court by a party or the party's attorney within fourteen (14) days after the date of sale, the proposed entry shall be approved by the Court and filed with the Clerk of Courts forthwith. If proper written objection is made, the Court shall determine the validity of the objection and make an order determining the issue. Upon the filing of the entry of confirmation of sale and upon payment in full of the purchase price by the purchaser, the Sheriff shall forthwith cause the deed to be recorded with the County Recorder.

25.03 In the event a purchaser fails to pay the balance due on the purchase price and complete the purchase within thirty (30) days after the date of sale, the purchaser shall be in contempt of this Court and any attorney of record in the case may forthwith cause a citation to issue commanding such defaulting purchaser to appear before the Judge of the Court having such matters in charge and show cause why the purchaser should not be punished. Upon a finding of guilty of contempt, the Court shall proceed in accordance with Section 2329.04 of the Ohio Revised Code.

In addition to the remedy cited in the above paragraph, any purchaser who has not paid the balance of the purchase price within thirty (30) days from the date of the sale is prohibited, either personally, or through another individual, or through any other legal entity, from participating in, bidding on, or acquiring property in subsequent Sheriff's sales of real property until the unpaid balance is paid in full.

Failure to pay the ten percent (10%) down by noon the day of the sale in accordance with Gen Rule 25.01 may result in a suspension, upon motion to the Court, from further participation in Sheriff's sales for a period of up to six (6) months.

Upon default, the moving party shall proceed as follows:

(A) He shall notify the defaulting purchaser that the purchaser shall not be permitted to either personally, or through another individual, or through any other legal entity, participate in, bid on, or acquire property in subsequent Sheriff's sales of real property until the unpaid balance is paid in full.

(B) He shall notify the Sheriff of all individuals who have not paid the balance of the purchase price within the prescribed time.

25.04 Appraisal fees are hereby established at \$75.00 per appraisal.

25.05 In every execution issued to the Sheriff upon goods or chattels, where property is not exempted by law, the plaintiff or the attorney for the plaintiff shall procure and file with the Clerk, a bond to cover the cost and fees required by the Sheriff in levying upon and selling the goods and chattels. The bond shall be in the form of a cash deposit or by bond with surety approved by the Court, provided, however, that no member of the bar shall be accepted as such surety.
